Hello! My name is Peter. I am eight years old. I go to school in Hong Kong. I study six subjects. They are English, Chinese, maths, science, art and PE. I love Chinese. It is my best subject. I like English too! However, I don't like maths. It is my worst subject. I think maths is very difficult.

Hi! I'm Kimmy. I'm ten years old. I go to school in Japan. I like school because I enjoy learning new things. My favourite subject is art because I love to draw pictures, especially cartoons. I like English but I prefer Japanese. My best subject is music. I always get high marks in my tests.
