Cybertown

Tanya

My Cybertown is TanyaCity. I've got a big house and lots of friends. There are two shopping centres next to my house with lots of great shops. There's a museum and a park in front of the library and there are some big houses behind my school. TanyaCity is a beautiful town.

Ben

My Cybertown is Fabville. It's really cool. I ♥ sport, and Fabville has got two sports centres and three parks. My house is next to a big library. In the town square there is a bank and a small post office and there's a very big hospital. Next to the hospital there's a great café. In Fabville there aren't any schools!

Sanjay

Garboton is my Cybertown. It's got very good connections - there's a train station and a bus station. There's a town square in Garboton and there are some shops but there isn't a shopping centre. There isn't a museum or a library, but there's a big police station. It's my police station! I'm the Chief of Police in Garboton!
